RE: Waiver of Membership in FCERA

Dear FCERA:

I understand that Government Code section 31552 provides that a newly hired employee who has attained the age of 60 may waive membership in the Retirement Association.

I understand that if I remain a member, retirement contributions will be deducted from my biweekly salary, and I will receive all benefits to which members are entitled, including possible disability retirement.

I also understand that if I elect to waive membership in the Retirement Association, I am giving up ALL rights to retirement benefits, including those related to disability.

I do not wish to be a member of the Retirement Association, and I hereby waive membership in the Fresno County Employees' Retirement Association.

I understand that this decision is **irrevocable**.

Sincerely,
