Background

The FCERA Trustee Educational Policy requires an annual report on the participation of Board members in educational activities during the previous calendar year. The report shall be on a calendar year basis, included on the consent agenda for the second regular meeting in January.

Effective January 1, 2013, Section 31522.8 was added to the Government Code requiring each Trustee to complete a minimum of 24 hours of education within the first two years of assuming office and for every subsequent two-year period if each board member continues to hold office.

Discussion

I have attached the report on the annual participation of Board members/Retirement Administrator in educational activities which includes the number of educational hours accrued for calendar years 2017 and 2018 for your review and reference. Please note that the costs for educational activities are reflected in the quarterly Trustee Travel reports provided to your Board in January, April, July, and October and are posted with the Agenda on FCERA's website.
