

**FRESNO COUNTY EMPLOYEES' RETIREMENT ASSOCIATION (FCERA)
PURCHASING CARD POLICY**

I. Purpose

FCERA participates in the State of California Department of General Services (DGS) CAL CARD program. The purpose of this policy is to provide guidelines for the holders and users of FCERA's Cal Cards and the administration of FCERA's Cal Card program.

II. Definitions

- 1) Cal Card – State of California DGS purchasing card.
- 2) Cardholder – the designated employee to whom the purchasing card is issued.
- 3) Purchasing card – the credit card issued to a designated cardholder.

III. Policy Guidelines

This program enables FCERA to utilize the purchasing Card for small dollar purchases and FCERA travel purchases as outlined in the attached Cal Card Cardholder Instructions, under Appendix A.

- 1) Cardholders may use the purchasing card to purchase goods in person, by telephone, mail or over a secured website. The purchasing card may not be used to acquire personal services or personal goods. The purchasing card may be used at business establishments that accept VISA credit cards as a form of payment.
- 2) Only the designated cardholder(s) is(are) authorized to make purchases on behalf of FCERA and may make purchases at the direction of the Board of Retirement or Chairperson. **The card must only be used for official FCERA business.** The cardholder, or designated staff member, must reconcile the monthly Cardholder's Statement of Account, attach all matching receipts and forward to their approving supervisor within five (5) working days.
- 3) A designated cardholder may direct another staff member to make purchases on behalf of the cardholder.
- 4) Regardless of whether or not a cardholder directs another to make purchases or designates another to reconcile monthly statements, the cardholder is ultimately responsible for the card account, its care, and its maintenance.
- 5) Splitting purchases to avoid purchasing guideline thresholds is prohibited. Purchases made using the purchasing card may not be split or piecemealed to circumvent purchasing policies, procedures, and dollar limits. If the single amount of the purchase, including sales tax and/or other applicable charges, exceeds the daily spending limit authorized to the cardholder, the purchase will not be permitted.

- 6) The purchasing card may be used in emergency situations. An emergency is defined as the need to purchase goods necessary for the continuance of critical daily operations to mitigate any potential threat to public health, welfare, or safety. Failure to plan, or failure to allow adequate lead-time, does not constitute an emergency.
- 7) Cardholders must comply with the procedures, authorized uses, prohibited uses, and other requirements contained in the attached Cal Card Cardholder Instructions under Appendix A.
- 8) Designated FCERA Cardholders under this policy are the Retirement Administrator, Assistant Retirement Administrator, and Executive Assistant.

IV. Policy Review

1. The Board shall review this policy at least once every three (3) years to ensure that it remains relevant and appropriate. This policy may be amended at any time by a majority of the Board.
