

FRESNO COUNTY EMPLOYEES' RETIREMENT ASSOCIATION (FCERA)
SUCCESSION PLAN POLICY

I. Purpose

- 1) This policy establishes succession plan procedures for temporary and permanent absences and guidelines with respect to the executive management positions in the Retirement Office. While leadership change is inevitable in every organization, proper planning and policy development is fundamental to the sustenance of a healthy, thriving organization. Proper planning and policy development regarding succession issues can help limit the problems of leadership transition and provide a degree of stability.
- 2) It is the policy of the FCERA to comply with Government Code Sections 31522.1, 31522.2, and 31522.6, which, among other things, grants the Board the sole responsibility to hire and assess the permanent leadership needs of FCERA including the appointment of a Retirement Administrator who is a good fit for FCERA's mission, vision, values, goals and objectives, and who has the necessary skills to lead the organization.
- 3) The Board also authorizes administrative, investment, technical, and clerical personnel as is required to accomplish the necessary work of the Board and may contract with a third-party to temporarily assume administration of FCERA, with the goal of resuming employed administration as soon as practical.
- 4) In this regard, the Board hereby establishes these appropriate guidelines to ensure that FCERA's operations are continued without interruption on a short and long-term basis. The Board recognizes that succession planning within FCERA will be consistent with County Personnel Rules, and State and Federal laws (e.g. CERL and the Brown Act requirements).

- i) In addition to the procedures and conditions to be followed for the short-term and mid-term staffing strategies, and in recognition that, for a term of thirteen (13) consecutive weeks or more, it may be unreasonable to expect any acting staff person to successfully carry out the duties of both the acting and original position, the Retirement Board shall give immediate consideration to the Retirement Administrator or Acting Retirement Administrator to also:

This decision shall be guided, in part, by internal candidates for the Retirement Administrator position, the expected period for hiring a permanent Administrator and the management needs of the organization at the time of the transition.
- ii) If an Interim Retirement Administrator is selected, the Board Chair and Board Counsel shall negotiate an agreement with a clear and defined scope of work.

- ii) In certain instances when the Retirement Administrator position may be temporarily filled for an extended period of time, and leaving vacancies in executive management positions would create a hardship for the organization, the Acting or Interim Retirement Administrator may, with Board approval, open a recruitment and fill the positions of the Assistant Retirement Administrator, Investment Officer, or Executive Assistant.

5) Salary Considerations

- a) Under the Short-Term Staffing Strategy, filled by a temporarily assigned member of staff, there shall be no salary adjustment.

- b) If the Assigned, Acting or Interim Retirement Administrator is a contractor or a member of staff not already granted signature authority, the Retirement Board shall adopt a temporary signature authority resolution and notify vendors as necessary to conduct the business of FCERA, and upon the return or replacement of the Retirement Administrator, the Retirement Board shall rescind the temporary signature authority resolution.
- c) Upon appointment of all other Assigned, Acting or Interim staff positions, the Retirement Administrator shall announce the temporary appointment, or appointments, to the Board, all FCERA staff, and the Sponsors.
